### Family History

Carmen and Tony Kozlowski harvested their first crop of Gravenstein apples in Sonoma County in 1949. They soon purchased the property that is home to Kozlowski Farms. The property is located within the El Molino Rancho Land Grant and its unique geographical location places it in the Green Valley of

Russian River Valley Appellation of Sonoma County. Carmen soon opened her first Farm Store where she sold homemade pies, fresh apples and cherries. In 1968, the family planted 20 acres of red raspberries and Carmen, with the help of her three children, Carol, Perry and Cindy, began making Raspberry Jam in the kitchen of her farmhouse.

A commercial kitchen soon followed and the Kozlowski Farms product line has now grown to over 100 gourmet, specialty and organic foods. The retail store at the Farm is open year-round. Visitors enjoy tastings of Kozlowski Farms Foods, as well as scenic views of the Kozlowski Family Vineyard and Organic Apple Orchard.
